

CAMP IT FORWARD

»»—SCHOLARSHIP FUND—»»

The Camp It Forward Scholarship Fund was established to give children an opportunity for interaction with animals in a nature environment to appreciate the earth and all of its inhabitants in harmony with God's intentions. We believe a miracle happens in the life of a camper which calls us to help make camp possible for children who would otherwise not be able to participate. Funds are raised throughout the year by donations from generous people of faith.

We offer participants of ages seven to seventeen Camp Scholarship Awards for Overnight Camp sessions of 3-Night, 4-Night, Full Week and Day Camp sessions of 2-Day, 3-Day and 5-Day. Successive camp sessions may be Awarded on a case by case basis. We offer full scholarships and partial scholarships making a determination based on a brief essay from the applicant and family financial need based on a sliding scale.

The Human Animal Life Foundation offers camp year-round so applications are also accepted year round for upcoming camp sessions. Applications can be found online at www.humananimallife.org/camp-it-forward.
